ORDER

(DATE OF HEARING: 22.10.2024)

1. The Commission vide its earlier Order dated 19.10.2024 directed UPNEDA to furnish two-fold deviation statement in the prescribed format within a week time and allowed UPPCL to file its reply within ten (10) days' time with a copy to UPNEDA.
2. During the hearing today, Sh. Divyanshu Bhatt, Counsel of UPNEDA sought 4 days more time to furnish revised RfS and PPA. Representative of UPPCL sought at least 12 days' time to verify the details of feeder consumption and corresponding capacity required including the documents to be filed by UPNEDA.
3. The Commission observed that electricity procured under the KUSUM Scheme would be beneficial to UPPCL, being available at the load end to cater specific category of load. Therefore, the Commission directed UPPCL to expedite the verification process.
4. Further, the Commission rejected the 'Intervening Application' of Sh. Kartikey Shukla identified as farmer, regarding exclusion of Warisganj substation since selection of substation in the list of the Bid would be decided by UPPCL & UPNEDA. UPNEDA would have liberty to finalise the list of substations but only before the last date of Bid submission and such information should be available on the bidding portal for the perspective bidders.
5. After hearing, the Commission allowed UPNEDA to file revised RfS within a week time and UPPCL to file its response within ten (10) days' time thereafter.

List the matter for next hearing on 12.11.2024.
